LIFE HOUSE GRADUATION: ALEXIS

"At first I thought, how is this program any different than the others? But at the Women's Life House, I learned that it is more than just a program." Alexis (Lexi), a recent graduate of the Women's Life House, shared. "I knew I had to apply myself. And when I did, good things kept happening."

On Sunday, May 5, we celebrated the graduation of Lexi from the Women's Life House. If you were in attendance at our our 2024 Spring Banquet, Lexi was able to share her testimony with us. Although we got to celebrate her accomplishments during this event, we wanted to take a moment to continue to celebrate Lexi and her graduation!

During her graduation, Pam, the Women's Life House - House Manager shared, "In the eight months with us, I saw such growth in her. She went from being kind of quiet and shy to having this shining personality and an amazing laugh that filled the house."

"Alexis never wavered on her recovery or the program - even when life threw curveballs. She just continued to get everything accomplished!"

Pam continued by saying, "She would often show our new residents the area and would drive them around to help them get to know where everything is in Huntington. Alexis exudes Jesus' love to others and even with her busy schedule of work and classes, she found ways to help other addicts get into recovery and rehab."

Lexi's graduation was special as we also celebrated her baptism. "To see the light come on in her eyes and the way she carries herself is so beautiful to see," Pam said. "She even recently asked Jesus into her heart, and, today, has followed Him in baptism - God does that!"

We love graduations at New Life Ministries and we love seeing lives changed. Even though it is sad to see Lexi leave, we know she is ready and we have seen God do amazing things in her life. We pray that Lexi continues to keep God first in her life and that she continues to be a bright light for others who may be in recovery.

NEVER TOO YOUNG TO MAKE A DIFFERENCE

Recently, New Life Ministries hosted our 2024 Spring Banquet to celebrate the good work God is doing. This event is continuously full of life-changing testimonies from those serving, supporting, and receiving services from New Life Ministries. This year, however, we also had a testimony that resulted from this event.

As a fundraising event, we see God continue to do amazing things through this event and our partners. This year, we had two individuals who gave a gift that encouraged us beyond words!

In attendance were two children who were attending with their parents. Prior to our event, they had held a garage sale and had sold some sweet treats during the garage sale too. With generous hearts, these kids gifted the money they earned to New Life Ministries!

Gifts like these bring smiles to our faces and remind us of God's goodness. It also reminds us that one is never too young to make a difference, and we are forever thankful for their kindness. It is a gift we will not forget.

TAKE A TOUR THIS SUMMER

With the weather warming up, it is the perfect time to come see what New Life Ministries is doing!

New Life Ministries is made up of four ministry programs, all of which are located on the same block, except the New Life Community Meal Ministry (which is only a couple minutes away).

This summer, let us show you what is being accomplished and see how we do ministry while discovering how you can be a part of the work we are doing. You will be able to see our buildings and hear the life-changing stories associated with each ministry.
